PART II.

OFFICIAL PAPERS.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Food Situation for the week ending 5th June 1920.

Brief abstract of the special reports regarding the Food Situation for the week ending 5th June 1920.

Bangalore City.—During the week under report 93 carts of ragi and 6 carts of paddy came into the bazaar as against 116 carts of ragi and 12 carts of paddy in the previous week. The supply of ragi as gone down in this week.

There has been no change in the price of ragi.

There is sufficient stock of rice and ragi in the bazaar for consumers.

The Municipal Depot and the Test Depots are selling Rangoon rice to the poor. The importers are also selling rice to the public at their depots. The transactions in these depots are being watched by the Inspecting Staff.

Mysore City.—No change.

Bangalore District.—The rainfall was general throughout the district. Dodballapur had the highest (2·72 inches) and Kankanhalli the lowest (35 cents).

Ploughing operations all over are in full swing. The standing crops of paddy and sugar-cane are in good condition.

The price of ragi ranged from 7 to 9 seers a rupee. Local rice was sold from 3 to 4¼ seers, while Burma rice was available at 4½ to 4¾ seers a rupee.

In all Government Depots Burma rice was available.

The general situation remains unchanged.

Mysore District.—No change. There have been good rains throughout the district and standing crops are in good condition.

Tumkur District.—There is no appreciable changes in the prices of food grains in the district. Local rice is being sold in the weekly markets at 4¼ to 4½ seers a rupee. There is sufficient stock of Burma rice in Government Depots. There were good showers of rain. Demand for Burma rice is slackening.

Kolar District.—Local rice and ragi continue to be sold at 4 to 4½ seers and 7 to 7½ seers a rupee respectively. Burma rice is being sold in all the Taluk Depots of the district though in small quantities. There has been rain but not quite adequate to the needs of the district and very scanty in some places.

Hassan District.—The *Santes* were fairly well supplied with food grains.

Standing crops such as *Kar* paddy and sugar-cane are in a good condition. The latter crop is being reaped in parts of Arsikere Taluk.

Prices are still high.

Prospects of the season are generally good for the present. Most parts of the district had good rains and sowing operations are being pushed on. More rain is wanted.

Shimoga District.—The food situation remains unchanged.

There was rain almost throughout the district during the week but more is yet wanted in some parts.

Kadur District.—Food stuffs were available in all the markets in sufficient quantities. Their prices remained as in the previous week. The price of rice however showed a tendency to go down at Koppa, the same being sold at 5½ seers a rupee as against 5 seers in the previous week. The price of ragi rose a little in the Mudgere Taluk. It was sold at 7½ seers a rupee as against 8 seers in the previous week.

Chitaldrug District.—During the week under report, Davangere and Harihar had heavy rains (Davangere 3'—63", Harihar 2'—37") while the remaining taluks had only slight showers.

Ragi and jola were sold at 8 to 10 seers per rupee. The price of rice remains the same as in the last week. Markets were fairly well supplied.

General (by Food Controller).—During the week there has been fairly good rain in almost all parts of the State. Standing crops are reported to be in good condition and ploughing operations in the Bangalore District and sowing operations in the Hassan District, are reported to be in full swing.

There has been some improvement in the supplies of food stuffs in the markets. The prices, however, remain stationary.

There is no appreciable increase in the demand for Burma rice except in the Bangalore City and in the Civil and Military Station, Bangalore.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.
